

## Structure application form

Please read the rules and then fill out the form below. Return your completed form to the FMAA Secretary.

The structure must:

1. Be temporary and maintained in safe order with a neat external appearance and condition
2. Be a colour in keeping with the natural environment
3. Be sited where it will not cast shade (without prior permission) on any other plot, or otherwise cause a nuisance by obstructing access to another plot
4. Not straddle any paths on the allotment site
5. Not be made of or contain hazardous materials, such as asbestos
6. Comply with the current FMAA rules (available on the FMAA website)
